Respected Parents and Guardians

Beloved Graduates

PUC-Institute of Foreign Languages of Paññāsāstra University of Cambodia (PUC) is so delighted, at this auspicious **PUC-IFL 6th Graduation Ceremonies**, to congratulate and honor its exemplary and happy graduates of Class 2025.

Continuing with our humble vision, playing an active role in the nation-building process for future generations, where peaceful means are used to resolve conflicts, beginning with individuals, societies, governments, and extending to the community of world leaders, I humbly believe that education is the key to fulfilling this vision. As people are well educated, exemplified, and attested by our proud graduates here gathering today, they are empowered to participate in and contribute more fully to society and to

the world at large. Education with moral value is indeed the foundation of genuine peace, security, and sustainable development for a prosperous nation and a peaceful world.

PUC mission is to provide high quality academic study and research accessible to many in order to improve the quality of life and build the capacity of the people, particularly the youth of Cambodia, and that of the region through the teaching of personal growth and development, critical thinking, character-building, professional ethics, high moral conducts, wisdom, and social responsibilities in addition to the steady development and speedy growth of science, technology, and the new digital media of our globalized world.

We are striving to cultivate our individual student to become a knowledgeable, skillful, honest, patient, grateful, happy, exemplary, and honorable citizen. I believe that, in whatever profession everyone may choose, you will rightfully serve others with respect, loving-kindness and compassion.

At PUC, we educate our students not only to gain knowledge, skills, and professional expertise to be able to work and integrate harmoniously in the community, the ASEAN, and beyond, but also the art of living with happiness and harmony by developing and nurturing virtues and character-building as reflected by the PUC motto: *Sīla, Samādhi, Paññā*, which we seriously take as our compass, (our North Star principle) in our daily lives.

As a parent, I know first-hand the time and commitment involved for both the family and student in making this dream come true. To the graduates, I wholeheartedly congratulate you on your tireless efforts, patience, and dedication to successfully completing your desired goals. Your success is well deserved, and it will give you a chance to spread your wings like an eagle and fly freely as you may venture into the professional world and/or continue to pursue your education to a higher level. Never forget that in whatever capacity you serve others throughout your career, be always humble, honest, sincere, patient, and grateful. This is the moral quality for your success in life.

Beloved graduates, please remember that a full glass of water could never receive one additional drop. People as special as you are, you have a great

potential and ability to learn more, to lead, and create a beautiful world of tomorrow. Remind yourself that you are a diamond by excellence, thus keep polishing and repolishing yourself endlessly, and sharing your knowledge and skills with others selflessly. With your loving-kindness, compassion, and sympathetic joy in your heart, along with wisdom in your mind, the world around you are peaceful and brightened. Please share with others the highest treasure you have earned in class, “***The Seven Noble Wealth***,” which are Sadha (faith) Sila (morality), Hiri (shame), Ottapa (fear), Chaga (sacrifice of wealth), Sutta (continue learning) and developing wisdom (Paññā). This is a noble path for your great success in this life and beyond.

Please remember, in life sometimes we face obstacles and difficulties. Please do not panic and instead take this situation as a challenge, and never, never give up on your noble goal. Winner quit and quitter never win.

Again, Congratulations Graduates! Be Happy, Honest and Humble!

*Most Reverent Samdech
His Excellency, Hun Manoy,
Reverent Guests and Graduates

Message from the Dean

Dear Students,
Welcome to PUC-IFL!

English is a language for everyone. Our institute is committed to providing excellent English training through the most effective curriculum, teaching methodology and class environment. All of our programs are designed to lead students towards academic and professional achievement in a world where English has become the global language.

Learning a foreign language is a challenge requiring a substantial amount of time and effort. All PUC-IFL management and instructors are highly qualified and experienced as well as committed to delivering services and lessons of excellent quality in order to help you achieve your language learning goal.

Examinations are held regularly to help you measure the progress you have made. Strictly enforced examination procedures and a policy of zero tolerance of cheating ensure an accurate evaluation of students' skills and help them to become responsible learners and adults.

Students at PUC-IFL are expected to adopt a responsible and conscientious approach to learning. We are all here to guide and assist students, but the ultimate responsibility for the success of the learning process rests with the students themselves. Full commitment to your studies, punctual attendance of all scheduled classes, active participation in all class activities, and timely completion and submission of all

homework/assignments, are required for all PUC-IFL students. Therefore, students should take every opportunity to practice and improve their language skills both inside and outside class to complement and enhance their proficiency.

In addition, all PUC-IFL instructors are required to abide by university guidelines to ensure they provide the best quality education and are professional and ethical role models for their students.

I hope you will enjoy and benefit from the learning environment that PUC-IFL provides.

Colin Young
Dean of PUC Institute of Foreign Languages
